I have the honour to state that it is reported by the Civil Officer, Bangalore, that the Military Authorities have occupied two Casurina plantations in Jodi Kacharakanahalli and Tavarekere villages of Bangalore North and South Taluks respectively for dumping petrol. The Military Officer of the Bangalore Supply Depot represented to the Civil Officer that a large quantity of aviation spirits in about 50 lorries had arrived suddenly on Sunday last from Madras, that it had to be dumped in the two private plantations referred to above as he had no time to obtain previous permission for their occupation.

The casurina plantations in question belongs to private persons and they have no objection to their use by the Military authorities, provided compensation is paid for the trees damaged and permission is allowed to them to remove fallen branches and dry leaves if dumping is continued for a long time. Compensation has to be paid for agricultural land used for the formation of an approach path for the lorries to reach the plantation at Kacharakanahalli.

Sir,

SUBJECT - Petrol dumps in private lands by the Military Officers of the Supply Branch - Bangalore.

Mu-6292/41

I have the honour to state that while I was working in the Office yesterday, Major Black of the Bangalore Supply Depot came to me at 3 P.M. and said that he had dumped a large quantity of aviation sprits that had arrived suddenly on Sunday last from Madras in about 50 lorries, in two private casurina plantations in Jodi Kachanakanahalli and Tavarekere villages of Bangalore North and South taluks respectively and that I should see the places and make arrangement for their hiring. He said he had no time to approach the authorities to obtain previous permission in the matter.

I accordingly proceeded to these places and made enquiries as to their ownership etc., The casurina plantation in Jodi Kachanakanahalli is situated very close to the Hennur limits. It belongs to Messrs. Mariappa, Lakshminarasimhiya, Nanjundiah and Iyyappa. They were all examined to-day. They have no objection for the use of the Tope provided compensation to the trees, if damaged, should be paid for suitably and they are periodically allowed, if dumping is continued for a long time to remove the fallen branches

and dry leaves. Compensation has also to be paid for the use of the agricultural land which has been converted into an approach Lorry path from the main road after actual measurement of the area used. As regards the Tavarekere land, the enquiry shows that the grove belongs to two persons Messrs. Pillappa Reddy and Dodda Anniah Reddy and they are agreeable to the same conditions as Kacharakanahalli land owners.

If requisition is received from the Military Authorities for these casurina groves, their request may be granted subject to the above conditions.

Subject: Petrol dumps - lands in the villages of Jodi Kacharakahalli and Tavarekere, villages used by the Military for - permission for the occupation of

With reference to correspondence ending with your letter No.G.12659/Mly.351-41 dated 30th May 1942 on the above subject, I have the honour to state that the lands on the Bangalore-Tumkur road referred to in Residency letter No.R.F.148-42/Pol. dated 16th May 1942 are Survey Nos. 7 and 8 of Tanneranahalli and S.No.75 of Yesvanthapur village. It is reported that the casurina trees standing thereon belong to different persons and that they have no objection to their use by the Military provided compensation is paid if any trees are damaged at the rates to be fixed by the Civil authorities.

With regard to the lands in Tavarekere village, it is since reported that Mr. S.A. Pillappa Reddy the owner of S.No.84/2 and 91/2 has claimed compensation at Rs.3/- per acre per month for the loss of dried survey branches and leaves in an extent of 8 acres and 24 guntas which he says he had given to certain potters and also the value of about 8 Casurina trees damaged. The Civil Officer recommends payment of lumpsum compensation of Rs.10/- which may kindly be arranged to be paid.

Kind reference is invited to your Memo No.G.12375/Mly.351-41-4 dated 22nd May 1942 regarding the use of Casurina plantation near "Rustum Bagh" The Civil Officer reports that there is

P.T.O

some contraversey between Mrs. Kothawala (the owner of the land Dump No.4) and Major Black in charge of the supply Department. The Civil Officer has received the correspondence that passed between them and he has proposed to discuss the matter with Cap. A.N.S. Murthi (Public Relation Officer), Administrative Head-quarters, Southern Army, Jayamahal Palace, Bangalore. The result of action taken by the Civil Officer will be reported in due course.

Sir,

SUBJECT :- Petrol Dumps in the villages of Jodi Kacharakanahalli and Tavarekere villages.

With reference to your Memo No.M.4-6292/41 dated 4th instant, on the above subject, I have the honour to state that the lands mentioned in my letter No.Bl-1934/41-42 dated 15-5-1942 are the same as those now referred to. The terms under which the parties agreed to their use have also been mentioned therein.

Since submitting the above report, I have received an application from S.A. Pillappa Reddy the owner of S.No.84/2 and 91/2 of Tavarekere village claiming Rs.3/- per acre per month for the loss of dried survey branches and leaves in an extent of 8 acres and 24 guntas, which he says he had given to certain potters and also the value of about 8 casurina trees damaged. I am of opinion that he may be paid a total lumpsum compensation of Rs.10/- for all his alleged damages, when the dump is removed from this place.

As regards permission to use the casurina tope in the Bangalore-Tumkur Road, which is now called "Dump No.7" the enquiry made shows that the lands in question are S.Nos. 7 and 8 of Tanneranahalli and S.No.75 of Yeswantapur village. The casurina trees standing

thereon belong to different persons. They have no objection to their use by the Military, provided compensation is paid if any trees are damaged, at the rates to be fixed by the Civil Authorities.

Regarding Dump No.4 - Rustam Bagh belonging to Mr.Kothawala there seems to be some controversy between Mrs. Kothawala and Major Black in charge of the Supply Department. The correspondence that passed between-them has been received from the latter. The matter will be discussed with Cap. A.N.S. Murthi (Public Relation Officer) Administrative Head Quarters, Southern Army, Jayamahal Palace, Bangalore.

As regards declaring the areas as prohibited under Rule 6(1) of Defence of India Rules, I beg to state that there are altogether seven such dumps, 5 Aviation Spirits and 2 Motor Spirits. I therefore request to be informed whether all these places will have to be declared as prohibited area or only a few. Clear instructions may kindly be issued in the matter.

sn.2.

I therefore would propose a compensation of Rs.50/- for these losses and lumpsum ground rent of Rs.50/- for the current year. He may also be given permission to remove the dried leaves periodically.

DUMP NO. 3: This consists of 3 plots all in Jodi Kodigihalli village.

No.1 - Rustum Bagh -- This measures about four acres covered with grown up casurina plantation. The property is in the management of Mrs. F.Z. Kothawalla for her uncle Mr. N. Kothawala who is said to be at Ahamedabad. She is agreeable to receive any rent to be fixed as in the case of other dumps. About 10 trees are stated to have been cut and in about 200 trees, barbed wire fencing is fixed up. I would suggest that a lumpsum compensation of Rs.20/- for the loss of trees and damages caused by nailing and for taking water from the well in the property may be paid together with an annual ground rent of Rs.20/- for the use of the casurina tope. Permission may also be given to her to have the rubbish swept periodically as in the case of others.

No.2 - belonging to Mr. Gurappa - This measures about 3½ acres. He may be given a ground rent of Rs.18/- for the current year with permission to remove periodically the dead leaves.

No.3 - belongs to Mr. Dodda Ramiah of Domlur measuring about 3½ acres. He also may be given a ground rent of Rs.18/- for the current year and permission to remove the dried leaves.

It is also understood that if any damages of permanent injuries are caused to the trees, suitable compensation will have to be paid to the owners of the lands in all the above cases.

The compensation payable for all the 3 dumps as per above proposals will come to -

1. Madivala Dump -		Dead trees	75-0-0

Subject: Petrol Dumps.

Adverting to your Memo No.M.4-6292/41 dated 25th July, 1942, in the matter of declaring the areas where Aviation Spirits and Motor Petrol are dumped by the Military supply department, I have the honor to state as follows:-

In the month of April 1942, the Military Supply Department under Major Black began to dump Aviation Spirits and Motor Petrol in different casurina groves belonging ~~xx~~ to private persons round about Bangalore, before obtaining the owners' permission. After I was appraised of this fact, I inspected the places and took the permission of the land owners for so dumping which was considered as purely temporary.

Out of seven such dumps, the number is now reduced only to 3 in the following places:-

1. Madivala (Tavarekere lands)
2. Venkatapur,
3. Domlur Road (Kodigehalli lands)

Near Madivala village in the Hosur Road, the lands of two persons covered with a grown up casurina grove with little open land are taken up.

These two persons are -		Casurina A g.	Open ground A g.
(1) Mr. Pillappa Reddy and	S.No.84/2 91/2	6-30	3-0
(2) Mr.Chikmunisamappa	S.No.84/1 91/1	1-0	-

On receipt of their complaints that a large number of casurina trees were getting dry and that they are prevented from removing such dead trees by the Military authorities, I inspected the land on 31-8-42 in company with an Officer of the Supply Department deputed by Major Black. The owners of the land were also present. It was ~~xxxxxxxxxx~~ noticed that 150 trees had dried up in S.No.84/2 and 45 trees in S.No.84. Since the military authorities expressed a wish to buy these trees rather than allow the owners to remove them at a great risk to the petrol ~~xxxx~~ tins stocked in the land, I would propose the payment of compensation of Rs.75/- to Mr. Pillappa Reddy and a sum of Rs.20/- to Chikmunisamappa. They have got another request to make, viz. to periodically remove the dead leaves from which they were getting some money, because the potters appear to be taking them for fueling their kilns. The Supply Department have no objection to allow the owners to do so under a permit with some restrictions. This may kindly be arranged for. A third point to be settled with regard to this dump is the payment of some compensation for having rendered fallow the 3 acres of land in front of the grove to serve as landing ground for unloading the petrol. This extent is too big for the purpose and I have asked the owner to cultivate about 2 acres and have about one acre for the movements of the motor lorries and the unloading of petrol. He may therefore be paid a sum of Rs.30/- for the loss of crop during the current year. He also claims some ground rent for the place occupied by the petrol tins, which has been fenced with barbed wire. For this, I would propose a ~~x~~ lumpsum ground rent of Rs.30/- per annum for the entire grove.

A similar concession to remove the dead leaves with a ground rent of Rs.5/- may also be allowed to Mr. Chikmunisamappa. This disposes of No.1 Madivala Dump.

DUMP NO.2: At Venkatapur the 6th mile - Iblur Road. These are Survey Numbers 44/2 and 44/3 covering about 10 acres of lands with young casurina plantation. The owner complains that barbed wire fencing has been put up nailing 231 trees and that 209 plants have been broken and 12 trees have been actually removed. He also says that he is deprived of selling the dead leaves to Begur potters and of grazing his cattle in the grove. I have inspected the land. His grievances with regard to the destruction of some plants are true.
